

## My Favourite Festival

## 2A Hung Kin Chiu

Good morning teacher, I am Stanley. Today I am going to talk about "My Favourite Festival".

There are many festivals that I like, but my favourite festival is Mother's Day. It falls on the second Sunday of May. It makes May a special month.

Last year, my family went to a Chinese restaurant to have dim sum to celebrate Mother's Day. It is in Yokohama, Japan. I wrote a card for my Mum to express my gratitude. She was very happy when she received my card.

I like Mother's Day because I love my Mum very much. She is special. Although she talks a lot, she takes good care of my sister, Stella, and me every day. I learn a lot from my beloved mother.

This is the end of my presentation. Thank you!
