

My Dream House

1A Chu Yik Lai Isaac

My dream house is very big and clean. There are at least three floors and ten rooms. On the ground floor, there is a kitchen, a dining room, a living room and a bathroom. My parents' bedroom, my bedroom, study room and bathroom are on the first floor. They are all very comfortable. On the second floor, there is a big balcony. I can play games, read books and chat with friends there.

I also have a big and nice garden. There are many flowers and vegetables in it. There is a big tree that I can sit under it with my family. Behind the garden, there is a swimming pool. I can swim with my friends in summer.

It's my dream house! I think my dream life will become true soon.
