

Dear Grandma,

Thank you very much for a great holiday. I enjoyed my stay with you.

I had a good time in the USA as I made new American friends. We played games like volleyball, football and water balloons. We visited the Museum of Natural History. It was fun there, especially when I saw the skeleton of dinosaurs in the Ancient Hall. Also, I learnt about the “Dark Hole” at the Universe Hall. I really loved our journey. You made the most delicious dishes for me!

Besides, you taught me how to cook yummy food. Now I can cook by myself.

Thank you once again, Grandma, for making my visit so enjoyable. Please do come and stay with us soon. We will have fun together.

Yours Sincerely,
Gabriel
