

An Adventure To A Forest

TSUI KA CHUN (5A-29)

Nothing is better than an adventure,
This time I came into a forest,
Finding for something called treasure,
Hidden by a group of tourists.

In my journey, I saw a hut made of bricks,
I went in and had some tea,
Oh, time's up! We shouldn't take any more break,
But we've just finished the dish of peas.

At last, we found the thing called treasure,
But I was very angry because it was just a photo!
But I still thought it was a pleasure,
Because on the photo, there were some famous movie stars' signatures!
