Subject A great holiday

Dear James,

How are you? Last Sunday, I went to Nam Sang Wai in Yuen Long with my family. I was very happy.

I rode a scooter from the MTR station to Nam Sang Wai. On the way, we took many photos of the river. When we were tired, we stopped by a food store and ate frozen pineapples. There was a fish pond next to the food store, so we fed the fish there. After riding my scooter for half an hour, we went to a large grassland. We flew kites there and had a lot of fun! We played till the evening when the sky became dark. Finally, we arrived at a pier next to a small river. We rowed a boat across it. At night, we had dinner at a Chinese restaurant nearby. The food there was delicious! After dinner, we went home happily. What a great day!

Do you want to go to the countryside with us next time?

Hope to hear from you soon.

Warmest,

Kenny
